SHOW Your Support

Use your empty horse feed bags to support your favorite horse club or organization. It's easy with Southern States' Special Horse Organization Winner's (SHOW) Program. Southern States takes pride in supporting the horse industry. We developed the SHOW program to provide non-profit breed associations and horse clubs their own sponsorship tool. Collect the proof-of-purchase seals from any Reliance®, Legends® or Triple Crown® feeds and give them to your favorite horse club or organization. Organizations register with the Southern States corporate office and submit seals collected to receive money back to support their local events. Interested in enrolling your organization?
