Paddock Master Hay & Grain Feeder or the Fresh Aire Cone Hay Feeder

*At participating Southern States stores.

Fresh Aire Cone Hay Feeder

A breakthrough in feeding, the Tarter Equestrian Equipment Fresh Aire Cone Feeder allows your horse to feed the natural way, reaching down instead of reaching up. Holds up to 4 lbs. of grain and four flakes of hay.

- 1" ventilation holes throughout make sure air gets to the hay, and water and moisture has a quick way out
- Easily bolted to the corner of any stall or attached to a paddock fence
- Rounded edges and thick polyurethane construction makes for a catch-free surface that won't cause cuts or catch-points
- Corner mounted grain feeder keeps up to 20 oz. of grain or pellets in easy reach
- Fully removable grain tray for easy cleaning

SKU# 10001292
